

PROVINCIAL SHINGLE TILE

Color: Vechio

Ludowici's Provincial shingle tile has a glare reducing fine machine scored surface and a beveled butt providing a clean elegant look suitable for all architectural styles. Provincial shingle tiles are available in standard and custom matte colors, mists and blends.

LANAI 14" INTERLOCKING TILE

*Color: 50% Weathered Dark Terra
Cotta Impressionist, 50% Custom Color*

Ludowici's Lanai 14" interlocking tile has a square butt with a sandblasted weathering. Its clean, uniform shape complements any architectural style and is also available in a larger 16" profile.

Lanai is part of a special product line that can be used in roof tile or wall cladding applications.

CALAIS SHINGLE TILE

Color: 30% Clay Red, 70% Clay Red with Green Mist

A cratered surface with a rough bottom edge give Ludowici's Calais terra cotta shingle tile the look and character of centuries old clay roof tile from France. Calais shingle tiles are available in standard and custom matte colors, mists and blends.

NORMAN SHINGLE TILE

Color: Santiago Rose with black sand texture

Ludowici's Norman shingle tile with a cratered surface, black sanded finish, and rough bottom edge has the look and character of roof tiles from the Normandy region of France. Norman shingle tiles typically feature Santiago Rose glaze accented with a black sand weathering, but may be customized for your project's aesthetic.

BRITTANY SHINGLE TILE

Color: Custom Color Blend

A dramatic textured terra cotta tile in irregular lengths with the feel of aged stone, Brittany shingle roof tile provides a truly provincial appearance. Brittany shingle tiles are available in standard and custom matte colors, mists and blends.

LUDOWICI®

CRUDE SHINGLE TILE

Color: 33% Clay Red with Ebony Mist, 33% Slate Red with Ebony Mist, 33% Burgundy with Ebony Mist

Chipped corners, rounded butts and a rough stone surface give Ludowici's Crude shingle tile the authenticity and character of an Old Europe appearance. Crude shingle tiles are available in standard and custom matte colors, mists and blends.

TERREAL SHINGLE TILE

Custom Color(s): 212518 Rustique Pays D'Auge, 312718 Pommard Sable Bougogne, 324917 Prieure Cendre, 312018 Prieure Pourpre

A smooth surface and flat butt give our Classic Terreal interlocking terra cotta tile a clean look. This tile is suitable for a full range of architectural styles and can be customized with a number of custom textures to fit your design aesthetic. Available in 14" and 16" profiles.

CUSTOM “OLD WORLD” COTTAGE SHINGLE TILE

*Color: 40% Custom Color, 40%
Weathered Aged Cedar, 15% Weathered
Sienna, 5% Weathered Western Cedar*

Ludowici’s Cottage shingle tile is reminiscent of centuries-old English country cottages. Enhance this bucolic style by staggering these 10” tiles during installation. Our Cottage shingle tiles come with a weathered or sanded standard base texture and is available in all other standard and custom matte colors, mists, blends, and textures offered by Ludowici.

CENTURY SHAKE

Color: Western Cedar

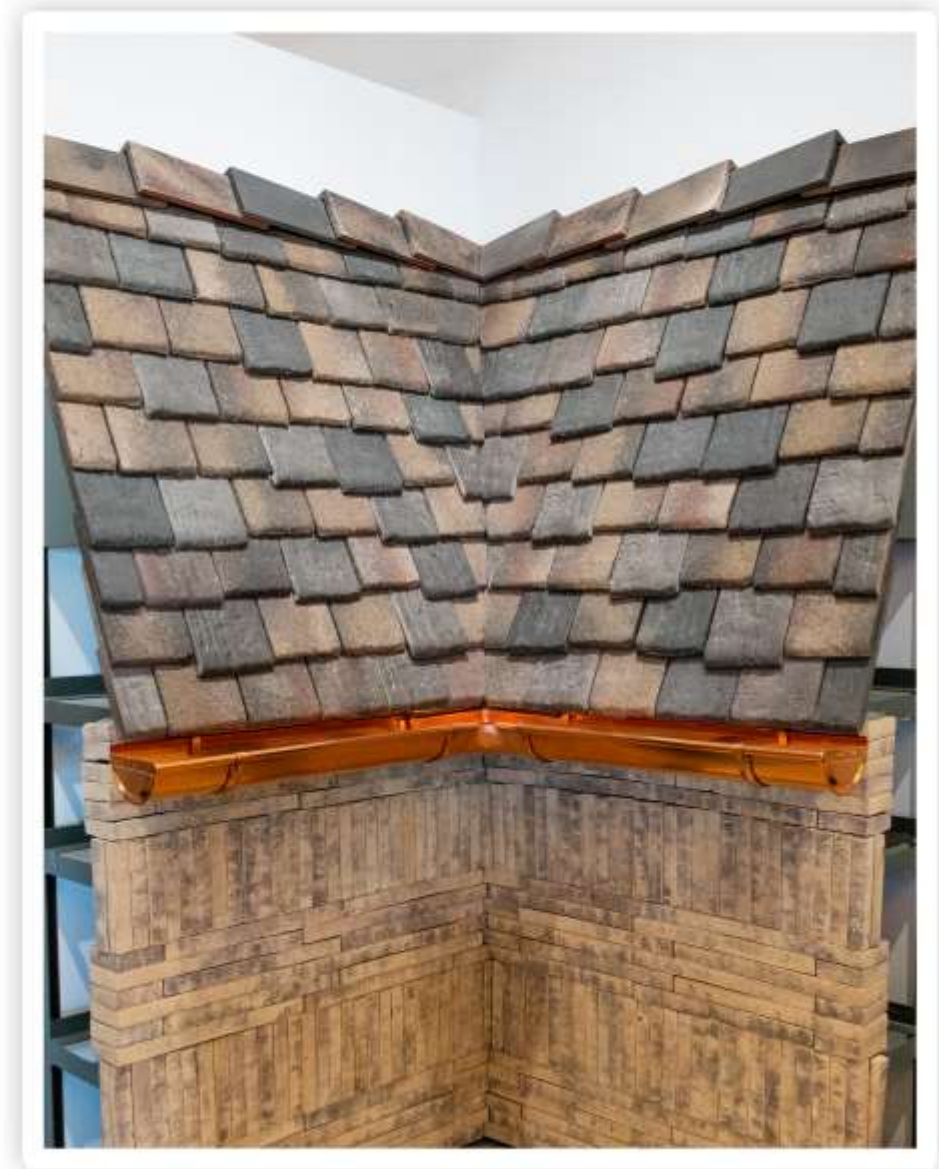

Century Shake® is a thick profile interlocking terra cotta tile with rugged texture and uneven surface. This tile has pressed grooves with a lightly scratched hand-split texture and rugged butt to mirror the appearance of real wood shakes—without the maintenance. Century Shake Premier® is offered in three different tile sizes—creating a random width appearance for a more authentic shake roof look.

COLONIAL SHINGLE TILE

Color: 60% Weathered Fireflash Impressionist, 14% Custom Color, 13% Custom Color, 13% Custom Color

Long irregular lengths and a rich grooved texture give Ludowici's Colonial shingle tile the look and feel of hand split wood shake used on Early American and Colonial buildings. However, they can be customized with a number of different custom texture options to create your desired effect. Colonial shingles are available in all standard and custom matte colors, mists and blends offered by Ludowici.

LUDOSHAKE

Color: White Cedar

LudoShake is a lightweight interlocking terra cotta roof tile featuring the texture and varied thickness of hand split wood that can be installed in straight rows or staggered for a more rustic look.

LudoShake will never fade, rot or curl. And unlike wood, rubber or plastic shakes, LudoShake tiles are Class A fire resistant, easy to install, maintenance-free and have fewer pieces per square than most alternatives.

RUSTIC COLONIAL SHINGLE TILE

Color: Sienna

Long irregular lengths and a deep rich grooved texture give Ludowici's Rustic Colonial shingle tile the look and feel of hand split wood shakes used on Early American and Colonial buildings. Rustic Colonial shingle tiles are available in standard and custom matte colors, mists and blends.

GEORGIAN SHINGLE

Color: Custom East Lake Blend

Georgian shingle tile's scored wood sawn finish and square bottom edge evokes the texture and character of hand split wood shakes. Georgian tile has a permanent non-fading finish and won't rot, warp, curl or burn like wood shakes. In addition to the standard 8" width, widths of 9" & 10" can be mixed for a more random appearance. Georgian shingle tiles are available in all standard and custom matte colors, mists and blends offered by Ludowici.

WILLIAMSBURG 14" INTERLOCKING TILE

Color: Earth Gray

Ludowici's Williamsburg 14" interlocking tile has a scored sawn wood shake texture and a square butt giving it the same texture and character of wood shakes. They have a permanent non-fading finish and will never rot or curl. And unlike wood, rubber or plastic shakes, Williamsburg tiles are Class A fire resistant, easy to install and maintenance-free. Williamsburg is also available in a larger 16" profile.

AMERICANA 14" INTERLOCKING TILE

*Color: 34% Weathered Dark Terra Cotta,
33% Custom Color, 33% Custom Color*

Americana 14" clay interlocking roof tile features a lightly pressed bark texture and a gently rounded butt. Americana interlocking tile provides a refined yet formal-rustic look to complement a variety of architectural styles. Americana is also available in a larger 16" profile.

LUDOSLATE

Color: 70% Slate Gray, 30% Antiqued Slate Gray

LudoSlate is a lightweight interlocking terra cotta tile featuring the chiseled edges and texture of natural slate. LudoSlate can be installed in straight rows or staggered. Ludowici's LudoSlate interlocking clay tile is primarily available in 12 standard slate colors but can be customized with additional colors or blends.

LUDOSLATE PREMIER

Color: Vermont Gray Black

LudoSlate Premier is a lightweight interlocking terra cotta tile featuring the chiseled edges and texture of natural slate that comes as a series of three random width tiles for a more authentic appearance. Premier sizes do not come pre-blended on pallets. Each size is packaged individually and must be blended in the field by the installer.

COTSWOLD SHINGLE

*Color: Custom Blend (left) & Strata Gray (right)
Texture: Norman Sand (left)*

Ludowici's Cotswold shingle tiles feature uneven lengths, chiseled edges, and a split stone textured surface — reminiscent of Cotswold stone of an English countryside. Cotswold shingle tiles add character and charm to any design and are available in standard and custom matte colors, mists, and blends.

LEXINGTON SLATE

Color: Brunswick Black

Lexington Slate is an interlocking terra cotta tile with a natural quarried slate texture featuring all the beauty of natural slate with the enhanced durability and longevity of terra cotta.

Unlike other slate alternatives, Lexington Slate will never fade or curl and is Class A fire resistant, easy to install and maintenance-free.

LEXINGTON SLATE

Color: Montpelier Green

Lexington Slate is an interlocking terra cotta tile with a natural quarried slate texture featuring all the beauty of natural slate with the enhanced durability and longevity of terra cotta. Unlike other slate alternatives, Lexington Slate will never fade or curl and is Class A fire resistant, easy to install and maintenance-free.

LUDOWICI®

SPANISH 13" BARREL TILE

Color: Provence

Spanish tile is prized for its simple, one-piece barrel design which provides a pattern of distinctive ripples across a roof. Ludowici's Spanish 13- $\frac{1}{4}$ " tile provides an authentic, old European look to any style of architecture. Our Spanish tiles come standard with a smooth surface but can be customized with a variety of textures. These Spanish tiles are available in all standard and custom colors, mists, and blends offered by Ludowici.

SPANISH 18" BARREL TILE

Color: Field Green Impressionist

Often synonymous with clay roof tile, Spanish tile is prized for its simple, one-piece barrel design providing a pattern of distinctive ripples across a roof. From small bungalows to large public institutions Spanish tile enhances virtually any style of architecture.

Our Spanish tiles are offered in a smooth surface and available in all standard and custom colors, mists, and blends which can be customized with a number of textures to add weathering and visual appeal.

SPANISH 18" BARREL TILE

*Color (Left): Fireflash Impressionist
Color (Right): 70% Tuscany Impressionist,
30% Vellagio Impressionist*

Often synonymous with clay roof tile, Spanish tile is prized for its simple, one-piece barrel design providing a pattern of distinctive ripples across a roof. Our Spanish tiles are offered in a smooth surface and available in all standard and custom colors, mists, and blends which can be customized with a number of textures to add weathering and visual appeal.

SCANDIA BARREL TILE

Color: Matte Mediterranean

Scandia tile is synonymous with clay roof tile from northern Europe. Its wide pan and low profile barrel offer a unique and subtle roof texture suitable for a wide range of architectural styles. For a higher profile and more dramatic appearance consider one of Ludowici's Spanish tiles. Scandia tiles are available in all standard and custom colors, mixes and blends offered by Ludowici.

LUDOWICI®

SPANISH 13" BARREL TILE

Color: Terra Cotta Impressionist

Spanish tile is prized for its simple, one-piece barrel design which provides a pattern of distinctive ripples across a roof. Ludowici's Spanish 13- $\frac{1}{4}$ " tile provides an authentic, old European look to any style of architecture. Our Spanish tiles come standard with a smooth surface but can be customized with a variety of textures.

STRAIGHT BARREL MISSION 16"

Color: Dark Tuscany Impressionist

Ludowici's 16" Straight Barrel Mission tile features pans and covers with a smooth clay surface and faithfully matches the old European pan and cover roof tiles. Greater pieces per square allow for enhanced color distribution when installing a color blended roof pattern. They can be laid in straight rows or staggered. Ludowici's Straight Barrel Mission tile is also available in 18 3/8" and 14 1/4" profiles.

TERREAL LANGUEDOCIENNE

Color: Cathedral

Prominent in the architecture across the Mediterranean and the south of France, the Languedocienne mission barrel system features generously curved terra cotta tiles comprised of tapered mission caps and pans with a smooth surface. The long length tile results in fewer pieces per square, creating one of the most economical roof tile systems on the market. Languedocienne is manufactured in France by TERREAL and is sold exclusively by Ludowici in North America.

TERREAL LANGUEDOCIENNE

Color: Fired Earth

Prominent in the architecture across the Mediterranean and the south of France, the Languedocienne mission barrel system features generously curved terra cotta tiles comprised of tapered mission caps and pans with a smooth surface. The long length tile results in fewer pieces per square, creating one of the most economical roof tile systems on the market. Languedocienne is manufactured in France by TERREAL and is sold exclusively by Ludowici in North America.

ITALIA BARREL

Color: Anziani Impressionist

Ludowici's Italia 16" terra cotta tile has straight barrel caps and flat pans that authentically match the character of centuries-old Italian roofs. Ludowici Italia tiles are available in all standard and custom colors, mists and blends.

PALM BEACH MISSION 18"

Color: Terra Cotta Impressionist, Dark Terra Cotta Impressionist, Dark Tuscany Impressionist, and Ebony Mist

Texture: Hand Slushed

Ludowici's Palm Beach Mission 18-3/8" is a smooth surface mission barrel system made up of tapered covers and straight barrel pans. These longer tiles mean fewer pieces per square, making Palm Beach Mission the most economical of Ludowici's terra cotta mission tiles. These tiles can be laid in straight rows or staggered. Palm Beach Mission tiles are standard with a smooth surface, but may be customized with a number of textures.

TERREAL LANGUEDOCIENNE

Color: Oldish

Prominent in the architecture across the Mediterranean and the south of France, the Languedocienne mission barrel system features generously curved terra cotta tiles comprised of tapered mission caps and pans with a smooth surface. The long length tile results in fewer pieces per square, creating one of the most economical roof tile systems on the market. Languedocienne is manufactured in France by TERREAL and is sold exclusively by Ludowici in North America.

TERREAL LANGUEDOCIENNE
