2023 Algae Resistance Warranty Update Residential Products

CertainTeed is excited to announce an update to our StreakFighter® Algae Resistance Warranty! Effective on all products installed on or after June 1, 2023, the Algae-Resistant Warranty Period will be updated as follows:

30-year algae resistant warranty coverage

Belmont® AR
Belmont® IR AR
Carriage House® AR
Grand Manor® AR
Landmark® TL AR
Northgate® ClimateFlex® AR
Presidential Shake® AR
Presidential Shake® IR AR
Presidential Shake® TL AR
Landmark® Premium AR
Landmark® PRO AR

25-year algae resistant warranty coverage

Highland Slate® AR
Landmark® ClimateFlex® AR
Landmark® Solaris® AR
Landmark® AR

10-year algae resistance warranty coverage

Landmark® AR MD
XT™ 25

This updated Algae Resistance coverage requires the use of CertainTeed Shadow Ridge® AR, Cedar Crest® AR, Mountain Ridge® AR or Shangle Ridge® AR hip and ridge accessories.

If the warranty period is longer than 10 years, proration begins after year 10 (25-year coverage products) or year 15 (30-year coverage products).

As a reminder, our StreakFighter® technology protects your shingles from blue-green algae or gloeocapsa magma, (which has a black/brown appearance). If during the Algae-Resistant Warranty Period specified above, the overall appearance of the Algae Resistant shingles is adversely affected by blue-green algae, CertainTeed will pay the reasonable cost to replace or clean any affected shingle. Please see the actual warranty for complete details, limitations, and requirements.

Thank you for your continued support of CertainTeed Residential Roofing.
